

Refund Policy

To be eligible for a return, your item must be in the same condition that you received it and be accompanied by a receipt.

To start a return please contact us at info@teamsupercrew.com. If your return is approved, we will send instructions on how and where to send your item.

Items sent back to us without first requesting a return will not be accepted.

Please include your name, email, phone number, and original order number with your return. We also suggest you retain a copy of the tracking number for your records.

A full refund of the purchase price will be issued as a store credit which can be used for any item(s) in our store. Your credit will be issued the Monday following our receipt of the returned items.
